### **New online tool to help nursery and childcare personnel**

Did you know that Croner has launched 'Croner-*i* Early Years' to help childcare professionals with the day-to-day compliance and implementation of the new Early Years Foundation Stage (EYFS) framework?

Developed in conjunction with a number of childcare professionals as well as ex-Ofsted inspectors, Croner-*i* Early Years is a compelling online reference tool to guide those working in full day care, crèche care, out of school care and sessional day care in both the public and private sectors.

Croner-*i* Early Years will support the role of the childcare professional through the provision of key information topics such as EYFS and Ofsted, welfare of children, working with parents, learning and development, employment, training and development, health and safety, buildings maintenance, planning and organisation, finance, and administration.

The product offers unique features and provides an excellent base for future compliance planning for the childcare professional. The yearly subscription includes:

- Daily news and feature articles providing the latest information and news updates
- Fortnightly e-newsletters
- Easy to follow step-by-step guides
- Over 50 policies and procedures developed by ex-Ofsted inspectors
- Over 150 ready-to-use resources such as forms, letters and fact sheets
- Compliance information on laws and regulations relevant to the childcare environment
- Provides 24/7 access to 13 sections with over 65 topics on childcare business.

In addition, Croner-*i* Early Years provides access to risk assessment software which gives expert advice on planning and reporting. The software is also in line with the five steps of risk assessment outlined by the HSE and meets the statutory requirements set out by the Government.

Martin Smith, executive director at Croner, says: "Since this September, all registered early years providers and schools and those working within them have been required to deliver and understand the requirements of the Early Years Foundation Stage. "Croner-*i* Early Years has been developed to help educate and guide people in the childcare profession to comply with the implementation of the framework."

For a subscription to Croner-*i* Early Years or to find out more about this product call 020 8247 1630 or log onto our website [www.croner.co.uk/earlyyears](http://www.croner.co.uk/earlyyears)

### **About ADP**

ADP is the largest supplier of payroll services in the world. Present in 29 countries, paying 32 million people around the world every payday, and with over 50 years of unrivalled experience, ADP manages a wide range of payroll, benefits and HR administration and helps organisations to control their costs, streamlining their often labour-intensive processes, so freeing up personnel to concentrate on core business activity.
